SUBJECT INDEX

JOURNAL FOR NURSES IN STAFF DEVELOPMENT • Volume 18, Number 6, 335-337 • 2002 • Lippincott Williams & Wilkins, Inc.

A

Action research, Disciplined Clinical Inquiry, 233
Acute care hospital, RN refresher course, 86
Advanced practice nurse, future role, 194
Alternative medicine. *See* Complementary and alternative medicine
Alzheimer's disease, burden among professional caregivers, 250
Audio tape review, Cancer Survival Toolbox–Basic Skills, National Coalition for Cancer Survivorship, 168

B

Behavior, preceptor behaviors and critical thinking ability of nursing students, 127
Book reviews
  Cardiovascular Patient Education Resource Manual, TA Gershenson (consult. ed.), 108
  Community-Based Nursing Education: The Experience of Eight Schools of Nursing, PS Matteson (ed.), 169
  Corporate Compliance in Home Health Care: Establishing a Plan, Managing the Risks, FA Rozovsky, 51
  Enduring Issues in American Nursing, ED Baer, P D'Antonio, S Rinker, JE Lynaugh (eds.), 220
  Guide to Effective Staff Development in Health Care Organization, P Spathe (ed.), 283
  Improving End of Life: A Sourcebook for Health Care Managers and Clinicians, J Lynn, J Schuster, A Kabcenell, 169
  Key Aspects of Preventing and Managing Chronic Illness, SG Funk, EM Tornquist, J Leeman, et al, 52
  Pain Management: Patient Education Resource Manual (2nd ed), ET Karpas (consult. ed.), 219
  Strategies for Nursing Leadership, HR Feldman (ed.), 109
Boston Collaborative Learning Group, 185
Budget process, orientation outcomes in 2000 and beyond, 241
Burden
  lightening the burden for preceptors, 322
  professional caregivers, 250
Burnout, 146
  professional caregivers, 250

C

CAM. *See* Complementary and alternative medicine
Capitation, future role of nurses, 194
Caregiver, professional, burden measurement, 250
Change, educational support during organizational transition, 306
Collaboration
  discharge planning, influence of nursing education, 274
  preceptor education program, 185
Communication, poetry in staff education, 48
Competency
  CAM therapies, 61
  core competencies, orientation, 198
DACUM ("Develop A CUrriculuM") competency-based analysis, 55
  interdisciplinary, prevention and management of patient violence, 41
  performance criteria for staff development competencies, 314
  staff development educators, 92
Complementary and alternative medicine, nursing competency, 61
Computer. *See* Technology
Concept analysis, rational nursing, 146
Consortium, preceptor education, 185
Contact hour requirements, Star Day, all-day educational program, 293
Continuing education
  CAM therapies and nursing competency, 61
  collaborative model for preceptor education, 185
  DACUM: a versatile competency-based framework for staff development, 5
  documentation of characteristics of early hospital readmission of elderly patients, 136
  educational support during organizational transition, 306
  efficacy of teaching intervention on nurses' knowledge regarding diabetes, 297
  evaluating the impact of organizational learning initiatives, 177
  implementation of evidence-based nursing practice model, 233
  increasing RN attendance at continuing education programs, 36
  NCLEX failure, intervention strategies for staff educator, 14
  orientation outcomes in 2000 and beyond, 241
  preceptor behaviors and critical thinking ability of nursing students, 127

Star Day, all-day educational program, 293
support for preceptors, 73
Core competencies, 198
Critical thinking
nursing student, preceptor behaviors and, 127
RN refresher course, 86

D

DACUM ("Develop A CUrriculuM"), competency-based analysis, 55
Dementia care unit, burden among professional caregivers, 250
Diabetes mellitus, teaching intervention, 297
Discharge planning, collaborative, influence of nursing education, 274
Disciplined Clinical Inquiry, 233
Documentation, characteristics of early hospital readmission of elderly patients

E

Education
instant teaching tools, 107, 167, 218
orientation program for new nurses, 80
Evaluation
impact of organizational learning initiatives, 177
pediatric nursing education programs, 258
staff development educators, 92
Evidence-based practice, Disciplined Clinical Inquiry, 233
Experience, collaborative discharge planning, 274

F

Facilitation, preceptor behaviors and critical thinking ability of nursing students, 127
Faculty Model Pilot Program, 322
Financial issues, orientation outcomes in 2000 and beyond, 241

G

Gaming, Wheel of Disaster, 210
Gastrointestinal cancer, nursing care, 327
Geriatric population, early hospital readmission, 136
Graduate nurse
NCLEX failure, contributing factors and intervention strategies, 14
orientation
lightening the burden for preceptors, 322
into workplace, 80
Guidance, preceptor behaviors and critical thinking ability of nursing students, 127

H

Healthcare organizations, work process development, team learning, 267
Hospitalization, early readmission of elderly patients, 136

I

Inservice programs, Wheel of Disaster inservice program, 210
Instant teaching tools. *See under* Education
Interdisciplinary collaboration, discharge planning, 274
Interdisciplinary competence, prevention and management of patient violence, 41
Internet, Web site development and design, 68
Internship, operating room RN internship program, 117

J

Job analysis, DACUM ("Develop A CUrriculuM") competency-based analysis, 55

L

Learning
active, effective management, 203
impact of organizational learning initiatives, 177
instant teaching tools, 167
self-learning module for pediatric tracheostomy care, 28
Wheel of Disaster inservice program, 210
Learning teams, work process development in healthcare organizations, 267

M

Managed care, future role of nurses, 194
Marketing, increasing RN attendance at continuing education programs, 36
Media review
Cancer Survival Toolbox–Basic Skills (audio), National Coalition for Cancer Survivorship, 168
Critical Care System–Arterial Blood Gases (1999) and Cardiac Rhythms (1999): Interpretation and Management, Educational Interactive Solutions, 282

N

NCLEX (National Council Licensure Exam), failure, contributing factors and intervention strategies, 14
Needs assessment, knowledge deficits of RNs supervising nursing assistants, 152
New nurse. *See* Graduate nurse
Nurse manager
effective, qualities, 203
evaluating knowledge deficits of RNs supervising nursing assistants, 152
Nursing assistants, RN supervision, learning needs of the RN, 152
Nursing education
collaborative model for preceptor education, 185
influence on collaborative discharge planning, 274
operating room RN internship program, 117
pediatric, program evaluation, 258
preceptors, support for, 73
RN refresher course for acute care hospital, 86
Nursing practice
care of gastrointestinal cancer patients, 327
educational support during organizational transition, 306
evidence-based, Disciplined Clinical Inquiry, 233
future roles of nurses, 194
rational nursing, 146
Nursing professional development, staff development standards, 213

O

Organizational learning, impact of organizational learning initiatives, 177
Orientation
competency-based, 198

Faculty Model Pilot Program, 322
new nurses, 80
orientation outcomes in 2000 and beyond, 241
Overwork, preceptorship stress, 22

P
Patient education
nurses' knowledge of teaching process, 157
Web site development and design, 68
Patient violence, management, interdisciplinary competency-based staff education, 41
Pediatric nursing
pediatric nursing education programs, 258
self-learning module for pediatric tracheostomy care, 28
Performance criteria, for staff development competencies, 314
Personal writing, in staff education, 48
Poetry, in staff development, 48
Policies & procedures, online, document-tracking system, 103
Portfolio development, staff development educators, 92
Practice model, Disciplined Clinical Inquiry, 233
Preceptorship
collaborative model for preceptor education, 185
lightening the burden for preceptors, 322
operating room RN internship program, 117
preceptor behaviors and critical thinking ability of nursing students, 127
preceptors' perceptions of competency-based orientation, 198
rewards for clinical preceptors, 162
stress, 22
supporting preceptors, 73
Prioritization, preceptor behaviors and critical thinking ability of nursing students, 127
Professional Caregivers' Burden Index, 250
Professional development, staff development standards, 213
Professional review, staff development educators, 92

R
Rational Emotive Behavior Therapy (REBT), 146
Rational nursing, 146
Recruitment, operating room RN internship program, 117
Registered nurse
attendance at continuing education programs, 36
knowledge deficits of RNs supervising nursing assistants, 152
operating room RN internship program, 117
RN refresher course for acute care hospital, 86
Research, performance criteria for staff development competencies, 314
Rewards, for clinical preceptors, 162
Role modeling, preceptor behaviors and critical thinking ability of nursing students, 127

S
Staff development
CAM therapies, 61
collaborative model for preceptor education, 185
nursing care of gastrointestinal cancer patients, 327
performance criteria for staff development competencies, 314
poetry in, 48
prevention and management of patient violence, 41
self-learning module for pediatric tracheostomy care, 28
standards, 213
Staff development stories, 333
Staff education
diabetes mellitus, 297
documentation of characteristics of early hospital readmission of elderly patients, 136
instant teaching tools, 107, 167
knowledge deficits of RNs supervising nursing assistants, 152
NCLEX failure, intervention strategies, 14
nurses' knowledge of teaching process in patient education, 157
nursing care of gastrointestinal cancer patients, 327
poetry in, 48
preceptorship stress, 22
prevention and management of patient violence, 41
RN refresher course for acute care hospital, 86
self-learning module for pediatric tracheostomy care, 28
staff development educators, competencies and professional review, 92
Star Day, all-day educational program, 293
Web site development and design, 68
Wheel of Disaster inservice program, 210
Staff retention, operating room RN internship program, 117
Standards, staff development, 213
Stress, preceptorship stress, 22, 73
Support
nursing graduates, 80
for preceptors, 22, 73

T
Teaching intervention, diabetes mellitus, 297
Teaching process, in patient education, 157
Team learning, work process development in healthcare organizations, 267
Technology
learning teams and networks, work process development in healthcare organizations, 267
online, document-tracking system, 103
Tracheostomy, self-learning module for pediatric tracheostomy care, 28
Training, DACUM ("Develop A CUrriculuM") competency-based analysis, 55
Transition education
educational support during organizational transition, 306
RN refresher course for acute care hospital, 86

V
Violence management, interdisciplinary competency-based staff education, 41

W
Web site, development and design, 68
Workplace violence, management, interdisciplinary competency-based staff education, 41
